Welcome

Dear Student, of the theological study,

Hereby I would like to welcome you personal for the greatest study of all mankind. It is a privilege to study the Holy Scriptures under the Unction of the Holy Spirit. Learn and submit to the Word of God and His Holy Spirit will direct you into God's will!

It will not only benefit your personal life and Christian walk, but much more it will transform you to become the person that God can use, to present His divine Love, Grace and Saving Power to other people. Such transformed person will support his local church and his local community for better.

Moving from the *Christian Life* into the *Christian Service* is the first step into the apostolic call and ministry of Jesus Christ.

Apostle Paul writes in 2. Corinthians 8:12: "For if there is first a **willing mind**, it is accepted according to what one has, and not according to what he does not have." That means, that your will is most precious to God. He can do the rest, if we just bring our good will.

God is not looking for the most talented and gifted person on this earth, but for a person, that is willing to learn, is faithful and does his/her best to serve and honor God. Then God will anoint you for the study and releases His Potential upon yours. Your real unexpected potential will be released! What a great deal!?

So, please be encouraged to receive fundamental biblical teaching, under the anointing of the Holy Spirit. You will be transformed daily and will grow to spiritual maturity. The book of Ephesians Chapter 4: 1-16 allows us to get a glimpse, how God's grace and blessing can enrich our life's, if we stretch out to this knowledge: " ... 4:13 till we all come to the **unity of the faith and of the knowledge of the Son of God, to a perfect man, to the measure of the stature of the fullness of Christ;**

To become like our Lord, Jesus Christ, with the fullness of His Majesty and Glory, should be the desire of every Christian who follows the master.

Your daily devoted prayers and the love of our Lord Jesus Christ, may help you to apply the "Logos" into Action!

If there is anything not fully clear to you, than please do not hesitate to contact us immediately.

God bless and anoint you richly,

All for Christ – All for Souls – All for His Church

**MFJI - BBTC  
Bible & Believer Training Center**

Accredited Learning Center

of ICI - Global University - Berean School of the Bible

MFJI-BBTC (Bible & Believers Training Center) is accredited under ICI Global University in several Countries as Learning Center. For us it is mainly important, to help to equip the Christian believer instead of counting the credits. For such we offer low tuition fees and lower standards, without losing the quality of the standards of higher educational learning.

It is a strong desire of Jesus Christ, to train strong and vital Believers. They will build strong and vital Churches. Such finally will build strong and vital Communities. This is God's supernatural and apostolic way of multiplication.

Under the divine unction of well trained and equipped Christians and Ministers, His Church will be able to reach a lost world with the life saving and loving Gospel, of Jesus Christ. But additionally the church will succeed and overcome all threats and attacks of Satan. To be victorious and prosperous as a member of such spirit filled Church, is such a joy as Christian. The greatest weapon of Satan, which is ignorance , even to the very point that the church today ignores that He exists, will be destroyed! Divine knowledge and wisdom are the foundation of a vital and prosperous community today. The church needs to get back to its roots in the book of Acts.

In January 2004 we received first recognition and accreditation as a **Learning Center**, on Bible College Undergraduate-Level, through ICI- Global University. One of the largest theological Institutions of the world. They are originated through the Assemblies of God (Pentecostal) in Missouri USA and are recognized and accredited in more than 190 countries.

In the beginning we established one BBTC in Berlin Germany and right after one in Trivandrum - Kerala South India. Now we are in preparation to establish in each country BBTC, where MFJI is operating. If you are additionally interested to become a student on Bachelor's or Master's Level, than please contact us, so that we can direct you to the most effective procedure.

If there will be any question from your side, than write an email to your appointed Teacher or Dean. Ones a month we like to talk to you via Skype or Phone if possible. Your tests and exam should be taken during a Skype conference or taken while an approved lector is present.

We just hope and pray that you will find divine joy and strength, to make it from the beginning to the end. Remember, that He is still the Author and the finisher of our faith! The Alpha and Omega!
