MFJ-Pakistan in Need

As many of us witnessed in the News the catastrophe in Pakistan, additionally we just received these pictures from

our National Director Bishop Patras Masih. How the flooding effected not only our more than 100 churches in Pakistan, but the whole nation.

It is our duty to support our Christian brothers, especially when we got the chance to become witnesses for Jesus Christ, not only by our good preached sermons, but instead by our actions. This tragedy treats all men the same way, without determination which, culture, tribe or religion! To many times we witness the fact

that some Christians speak up, about the reason, why God or the devil allows these crisis to occure, but any discussion why and who to blame for, will not make a difference in the lives of elderly people, children and families.

We ask to stop this discussion and to act according to the Holy Scriptures and the Love of Christ, who died for all

people. The Power of the Gospel can be manifested, if we are obedient to the Holy Spirit, as He commands us to support these people in need.

Because Jesus is coming back soon, and all these catastrophies will occure more

Bishop Patras Masih in Front of His Home, Church and MFJ-Pakistan Headquarters in Lahore

often, we should not be afraid or concerned, but become pillars or islands for those people in need. A bottle of water and a loave of bread can say more than all the hermeneutical, exigetical, theological sermons in the world.

Let's join hands with our friends in Pakistan. Every Donation will go directly to the Hands of our National Office, which will distribute the aid exactly at the right places. **More information to Donations at the end of this letter.**

MFJI-Bishop's Convention Berlin 2010

It is our privilege to inform you that after many attempes we finally have been scheduling our international Bishop's Convention in Berlin Germany from :

September 15.-20.2010

Our President and Board will meet with some of our National Directors from Nigeria, Nepal and India.

It has been a great challenge to provide all documentation for the needed Visas and the costs for to travel, but by God's grace we will make it. Some of them have never met each other personally before, much more we rejoice to fellowship with each other. The weekly program also includes some public classes with the topic:

-Church Management,

- Pastoral Ethics & Leadership,
- Ecclesiology,
- Mission with a Vision

Friday night we will celebrate at the scheduled Banquet. Surely, we will do some sight seeing and eat some good German food.

The final report in the next letter

Hartford MFJ US Tent
Revival 2009

MFJI-USA Christ Alone Ministries Church NY Bronx

In January this year we had the privilege to join hands with Christ Alone Ministries Church in the Bronx New York. Pastor Benjamin Torres has been re-ordained to the ministry and the church has been recognized as MFJ Covenant church. For this glorious occasion Bishop Preusser

consecrated Pastor Ben and His wife in a beautiful ceremony, witnessed by this beautiful church.

Pastor Ben is in the US and international a well known Minister, who served on the side of great man as David Wilkerson and Nikki Cruz,

starting in the 60's. We are very honored to work together shoulder by shoulder.

Bishop Preusser and his wife are scheduled to be in NY by October 20.-26. for ministry and to call two new ministers of the Gospel to duty.

Pastor Torres and his beautiful wife have been very compassionate to support our new Secretary Nastasja (Tassi) Preusser, during her

MFJI-Africa Convention 2011 in Kenya

Bishop Thomas Anyu is our new National Director in Kenya. Even after not having much contact, we are fully convinced that God has chosen and appointed that man of God to be our representative in Kenya.

He and his Committee are working hard, since more than one year, on our scheduled East African Convention in 2011. This Convention is

scheduled from:

April 21. - May 2. 2011

For further discussion and prayer we expect Bishop Ebenezer Mmadubuko Uka and his beloved wife, who is our National Director for MFJ -Nigeria, to visit our Headquarters in the beginning of November 2010.

We are praying about the issue, not only to have a Kenya or East African Convention, but instead to call

for an African Convention in 2011.

Our ministry is growing together, uniting, and networking mostly in Africa and Asia. Because of this fact we are planning for next year the African Convention and later the Asian Convention in Nepal.

Please pray and support this vision as we proceed in that very important gathering.

Our HQ will keep you up

MFJ-Nepal

In February 2010 our President Bishop Preusser has been visiting again our Covenant Partner in Nepal. They and the Orphans welcomed the guest. The ten days have been exciting and wonderful.

Bishop has visited Butwal Leaders (12 hours car trip through the Himalaya) different Cities and Churches. Two highlights we like to mention: On the picture you

can see Bishop Preusser praying with Foreign—& Vice Premier Minister Mrs. Sujata Koerala for the security and blessings of Jehova for Nepal

02/2010

and it's people. Specially the freedom and democracy are vital for the Christians in Nepal. We have a short Video Clip on our web-site and Youtube (Channel MFJ I) that has been watched some thousand times. Also Bishop Preusser has been able to share his testimony over national TV for around 30 minutes.

MFJI-News

- **The Heart For Hartford** Tent Revival,

Has been post poned to August 2011. Bishop Preusser informed in July, at his visit the Pastors, Leaders, Officials of the City, including the new Major Mr. Segara and the workers, that we will post pone the Tent Revival at the Bushnell Park to next year.

Beginning in January 11 we will also work together with the 5 major churches in Hartford. More informations and up-dates on our web-site.

- **TV- Studio Berlin**

Since August we are working again on several projects to produce an thirty minute evangelistic TV Program. We have hired a professional Film Director and Cutter from S. Korea, Brother Ju Il Kang. We are still in need to cover his salary and to purchase the technical equipments, for such professional work. Parallel we are airing the program on Web-TV (our web-site and YouTube.com Channel MFJI1). More on our Web-Site

- **MFJ-India**

In February Bishop Preusser met with our Indian Covenat Partners in New Dehli. It has been an extremely warm hearted meeting that both enjoyed greatly.

- **Missionaries Wanted**

We are in process to organize a evaneglistic Task Force of young missionaries. First project is a new church plant in East Berlin. More Info on Web

Rev. Nastasja (Tassi) Preusser, our new MFJI Secretary & Treasurer w/ little Esther from CGZ Berlin Covenant Church

MFJI-Board has a new Member

After some difficulties and mis-management at our former US Board, we called for new elections in July 2010.

Rev. Nastasja Preusser, well known as Tassi to most of us, has been elected as new Secretary and Treasurer for MFJI. We are glad to have her on board. In the last years she has been strongly working as Youth Minister at the CGZ Berlin Church. But since two

years she has been working in the administration and book keeping. Her spiritual gifts have been used as Director for our Prayer Department and as official Representative for our President on the international field.

As those difficulties arose, we prayed hard through this crises. Personal disapointment and disbehavior from some former officers at MFJI, gave personal grieve, but much more hindered the work for

God. Today we are glad to have found divine peace, with the right Team of officers, workers and officials.

Special thanks , we like to express to our Covenant Partner, Bishop Terry Wiles from Crossroads Community International Fellowship East Hartford CT., who offered his compassion, advise and fasilcity, to keep up our International Headquarters in

MFJI-Leadership

As some of you might know, does our President Bishop Preusser enjoy Sailing. After studying again Nautic and pass the Examen successfully, he insisted to train the Church Board, elders, deacons and workers on the those applicable issues. Here are some parts from his Training Manual:

The Perfect Skipper of a Church

Church and Ministry must be fun for all, including the

Pastor. He covers the same position as a Skipper on a nautic vessel. The success way out on the sea in stormy weather is pending only, if they work together as a Team. The Skipper must be a leader of a Crew and of the passenger.

He must be able to communicate appropriate to it's crew with wisdom, knowledge and authority. The Crew must accept him and his authority.

Who is the most important part on such vessel, including the vessel (the Church) in it's self, specially in a storm? The Skipper, the Crew, the Passenger, or the Vessel!!!

Lot's of people want to play the Skipper, but don't have any call and education. Not every church person likes his/her position. What can he do?

Here we need divine Leadership. Think about it!

Skipper, Crew & Vessel

### Thank You

My beloved friends and Covenant Partners,  
Again I like to express my gratitude towards your holy faithfulness, prayers and support. Some of you might have wondered if we are still in ministry?! The answer is absolutely, YES! But I have to admit that we have not been able to communicate all these wonderful testimonies and activities around MFJI and Partners to you. Please excapt my personal appology. We are strongly working to shape our profile and international presentation. My Family, our Team and myself are looking forward to comtinue with you on our side in ministry.

You know that sometimes the devil wins a battle, but we are here to pronounce that our Lord Jesus won the Wars. And I am so glad that I can serve under Him in that victories „Army of the Lord“.

We will be trying to distribute this „The Good News“ Letter and the in process new Magazine more frequently to you, because you are very important to us. Also visit our Web-Site, that holds all vital News. God bless and anoint you richly.  
Yours,

**Brother Siegfried**

### MFJI Worldwide
