MISSION FOR JESUS INTERNATIONAL

12-2012

Merry Christmas and a blessed New Year 2013

Beloved Friends and Covenant Partners,

How fast this year went by!! We pray, that this letter will find you well!! As we enter into the most beautiful season of the year, we hope, that you will find some time to ponder on the real meaning of Christmas, and fellowship with your loved ones. But also, to find some time to read this short report from MFJI and it's Covenant Partners.

As the Medias display every day the News from around the World, with all it's catastrophies and situations, we especially embrace this coming Christmas, as a divine and personal gift from God. All the bad News come to silence, as we enter into the Celebration of Peace, Joy and Love! As we join in to the old fashion Christmas Hymns, we feel how the anointed words and music offer a message of peace to our souls!

May the Love, Joy and Peace of our Lord Jesus Christ, become the most precious gift at this Christmas, for you and your loved ones!

God bless and anoint you richly.
Yours,

Bishop Siegfried Preusser & Family & Team

P.S. Unfortunatly are we unable to display all the reports and testimonies of all of our Covenant Partners and Ministries in this letter! Please visit our web-site for more information.

Pastor Joseph K.A. Sovon and his church in Lome', serves more than 300 souls in eight churches and is still growing!

He reports, that nevertheless the people are struggleing from poverty and deseas, their hunger for the Gospel is increasing daily.

„What a priveledge to serve the people with the Gospel of

the Cross and the risen Christ!“ While people are hungry, for bread, he is able to

feed the people also with the eternal Word of God and to lead them to a well of hope and healing!“

Here as he baptizes a new child of God into the Kingdom of Peace!

It is always a great joy, if the body of Christ joins together! Pastor Victor Banda from Lusaka is one of these many Covenant Partners at MFJ. One of our main callings is, to unite and equip the Body of Christ. Harmony and Unity under Brothers and Churches is a precious gift, today!

Even if Pastor Victor is over-seeing a relative small congregation of around 50 souls, he is in the same way important and powerful, as one of our Bishops with more than 350 churches nation wide. Here we could mention

Pastor
Victor

more than 180 Apostles, Prophets, Evangelists, Pastors, Teachers and Leaders in addition, who became new Covenant Partners with MFJ in 2012. Most Ministries draw foreign partners through their financial support and promises. When the financial sup-

port dries up, the relationship and ministry in that country also dries up, as well.

Not so with MFJ! Through the anointing on our Ministry and their leaders, we witness a constant and divine growth of the body of Christ around the World. Today we count in over 35 countries more than 1800 Churches and Ministries under the banner of MFJ.

What a great „Jesus Family“! And this without any of our own promises, but fully dependant on God's promises, alone!

MFJ-Pakistan

Our National Director Bishop Patras Masih and his Team, are reaching out every month to the surrounding areas of

Lahore City, with an evangelistic crusade. It is just unbelievable, how hungry the people are for the message of Salvati-

on, in Christ Jesus! In the Islamic Republic of Pakistan, it is by law life threatening to preach the Gospel of Salvation. Our beloved Brother and his family are always in great danger, but they are willing to pay the price, if they need to!

At the last visit of Bishop Preusser, we could witness the anointing on the local Team and the professional way, how they organized the crusade and ministered the Gospel to the people in need!

Always, they invite the people to the altar, for Salvation, Healing and Deliverance. When was it the last time, that you experienced in your church the full counsel of God being ministered?! It is time, that we follow their testimony and get some souls saved, healed and delivered! Away from all this entertainment, back to the roots of the Apostles and the ministry of Jesus Christ himself! They are in great need of equipment. Please pray if you can help!

MFJ-India

Pastor Pratap Jena is our National Director for India. He also pastors a church of more than 300 souls on the east coast of Andhra Pradesh and Orissa. He directs an Evangelistic Team of 30 Pastors and Evangelists, that are reaching out into the jungles and remote mountain areas, to native Indian people!

It is quite exciting to witness the increasing call and anointing on Brother Patras. In 2002 Bishop Preusser met him

and his Team at our annual MFJ Convention in Kerala South India. There, Bishop

Preusser prayed over them and his Team, layed hands on them and sent them as missionaries back to their place. Since that time we witness a constantly growth in his live and ministry. As they enter

into these villages, they distribute clothes and food to the primitive and naked people. Than, they invite the whole village to listen to what they have brought them, too. The Message of the Gospel of Jesus Christ! We do not need to mention, that they are facing great persecution from the Hindu and Muslim extremists, and that they are in great need of our support as well. Please pray if you can help!

MFJI-News

Our beloved Nastasja Preusser (MFJI Secretary & Treasurer, but most of all daughter of Bishop) has entered on October 6th the status of Holy Matrimony with Brother Christopher Norton.

After 4 Years of constant contact, they both decided to get married in Dallas TX. Daddy Preusser had the privilege to lead the two before the Lord into this wonderful and divine Covenant.

It was quite a moving and emotional moment for the

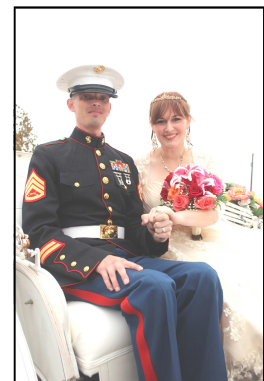

entire family.

Chris and Tassi, both love the Lord and are serving him today and in the future. After the wedding ceremony, they

moved from TX to their new home in Michigan. There they will live, work and minister!

It is not to late to contribute to the two! If you like to send them a gift or donation, it will be highly appreciated! Please mail it to the Headquarters Office in CT.

MFJ-Myanmar

Former Birma has just opened it's borders to the world and to the process of democratizing their Nation. Two years ago, Bishop Preusser discussed with former Prime Minister of Nepal, the political development and the need for

the Gospel to build a strong Government, that is resistant to corruption. We believe that Myanmar's political leaders need the same advise, for divine moral and ethical standards. This country, is at the present time, the strongest increasing economy in the world. Surely the devil does not sleep and likes to infiltrate the country with corruption and dis-management! But there is a minority of Christians like our Pastor Hung Ling. He establishes in an apostolic

way churches and ministries in the whole country. His main focus is on the children, because they are the future of tomorrow! We hope that we can support his ministry in a

powerful way and visit next year Pastor Ling and his churches.

MFJ-Nigeria / Liberia

Our beloved Friend and national Director Bishop Dr. Ebenezer Mmadubuko launched this year many programs at his church in Okokomaiko/Lagos, but still found time to travel around the country to minister to thousands of souls. People found Salvation, supernatural Healing and Deliverance, from Drug addictions and demonic oppressions. He stood fully in the footsteps of Bishop Preusser and ministered to our churches in Port Harcourt and other places, to keep

Bishop Dr. Ebenezer S. Mmadubuko - National Director MFJ-Nigeria

them up posted, while Bishop Preusser could not visit this year Nigeria.

But this is not enough! He also hosted our Liberian Brot-

hers and instructed Pastor Philip Joshua, how to establish MFJI in Liberia. They are in preparation for a Crusade with Bishop Preusser and Mmadubuko in Summer 2013. We are also planing to establish another MFJI BBTC (Bible & Believer's Training Center) in Liberia. It is always a great challenge, but also a great joy to expand the Kingdom of God around the world. These Saints in Nigeria and Liberia really need our prayers!

REACHING A WORLD WITH THE GOSPEL OF JESUS CHRIST

From the Desk of Bishop Preusser

What a tremendous year 2012!! I am so glad, to share with you some of my thoughts in preparation for 2013! If we follow the development in the Middle East and Israel, I am fully convinced, that the coming of our Lord Jesus Christ is closer, as most people like to believe! This is not a new revelation, but a fact as we compare Biblical Truth to the signs and fulfillments of it's prophesies! We should not be moved with fear, but much more with Joy!

As some Ministries try to get their followers under a spirit of fear and control, we are called to preach the Gospel to the lost and to prepare the Bride for the Groom, Jesus Christ! Specially, I can witness by my own experience from this year, what a joy it is for a father, to witness the Wedding Ceremony of your own child. My heart runs over for joy, when I think of His coming! But also, I am moved by all these Souls, that still need to hear the redeeming message of the Gospel, so that they don't get lost!

For 2013, be on fire for Jesus and help us to get the Gospel out. Please support me and MFJI, to unite more churches and ministries and to train and prepare them for His second coming. You will be always in my prayers and thoughts.

All for Christ All for Souls
All for His Church

Brother Siegfried Preusser

The List of weekly requests for help is tremendous! Where ever we can assist and support, we will do! But we cannot be at the same place at the same time! This challenge only God can meet!

But we can stay in active contact with our Covenant Partner through the media as internet and telephone. This is also a great financial challenge, that we need to pay for every month.

We are right now in the process to re-establish our old TV Studio into an Internet TV Studio. We are in need of new cameras and computer hard-

ware and software. Surely we are unable to visit personally every Partner on a yearly base, but we can preach, teach and guide our partners through these programs.

So we can save the money for expenses travels, Hotels and so on, and share it with our partners in the most effective possible way!

Please support us and pray how and where you can help , to get the things needed to be done!

COVENANT-DAY

Every 1. Friday of the Month, thousands of Covenant Partner around the Globe are praying and fasting for each others and your request!
