Merry Christmas and a Blessed New Year 2012

Beloved Friends and Partners,

Another year comes to it's end. A year full of changes! All over the place we hear about tremendous changes. Small and extraordinary changes! Changes in families, ministries and when we listen to the News medias, we hear about international changes of, political, economical, social, physical background and even the weather is changing.

What a great blessing it is to know and serve a God, that never changes, because He is the same yesterday, today and for ever!

Some of the changes have taken us by suprise, other have been working step by step and day by day. Some brought fast joy and other have shoked us. Over all, we can say, that it

does not matter how the change came by and in which form, but we know that we are always part of God's plan. As Christians we claim the Scripture out of Romans 8:28 „And

we know that **all** things work together for good to those who love God, to those who are called according to His purpose.“ „... and the peace of God, which surpasses all understanding, will guard your hearts and minds through Christ Jesus.“ Philippians 4:7

What a promise! Especially this divine peace is a heavenly gift in such troubled times. Jesus our prince of Peace!

While other people around us are driven by fear and opression, we can lean on God's Word.

As we all prepare for this Christmas Season, we should always have good thoughts for each other. Those good thoughts should be followed by our good deeds. Still we are serving in 26 countries around the globe, and would like to continue to support our brother and sisters, small and adult, as Jesus does every day in our lifes. We freely can give, because freely we received this peace and provision of God.

We pray that you will enjoy this peaceful Christmas Season with your loved ones. For 2012 we believe for your break through and victory.

Yours,

Bishop Preusser and Family

2012 – Immanuel ~ God with us

Isaiah 7:14 : „Behold, the virgin shall conceive and bear a Son, and shall call His name Immanuel:“

What a blessed promise for our lifes! God is with us, 24/7! It does not matter what 2012 will bring, because when God is with us, He also is for us!

Let this precious Promise guide you into and most of all through the year 2012. Let this promise be your bright and shining light on your pathway through the next year. Let it bring revelation, boldness, power, strength, vision and peace for all circumstances that you might face in 2012. Fears

shall be conquered and needs be met, by this promise unto you! When ever you loose faith, this word shall lift you up in spirit and comfort you with hope and victory.

Immanuel -

God with us

God with you

Thank you

Beloved Friends and Covenant Partners,

Again, we like to use the opportunity to thank you personally, in the name of all at MFJI. Your faithful support and prayers have brought us through the year 2011. Some might have asked the question, if we are still in business?! The answer is absolutely, YES! But I need to admit, that this year was not easy for us and for many of our partners. Our Church in Germany for example, has taken a lot of actions! We moved out off the facility in the South of Berlin, with the Church, Offices and also private for the Preusser family. We experienced great difficulties of financial and technical nature. That is the reason, why we could not keep you up posted, about all the develop-

ments and wonderfull testimonies of our international fellowship.

Because of my illness and final surgery in September, I was unable to travel this year at all. Thanks for all your powerful prayers and support. Today I am doing much better and we all are looking very excited forward to 2012. Our church has suffered greatly by satanic attacks. False accusations, lies and division is Satan's job since the beginning of mankind. But we did not give up at all and remained faithful to God's call and commission.

Since we moved out of the former BFP (AG Germany) and their building, we rented some office space in the center of Berlin. Additionally we rented a Building 3 miles from Berlin in Falkensee. At the moment we operate mainly from there. Our US Office in Manchester Connecticut is also still operating. We are very thankful for the kind support of our dear Covenant Partner in CT.

We also had to buy for the church in Berlin a mini van, so that we could transport some people for church services or any out reaches. As you surely can imagine, are these issues great financial challenges. But by God's grace He met all of our needs, so far.

Still we are looking for a new location for the church in the center of Berlin. For around 4

month we met at Hotel for service. After Summer break we initiated the services in home cell groups. It became very obviously, that we need to find a new church facility asap. The german church becomes more and more a place of entertainment and story

MFJI Building in Falkensee tells. Berlin needs a Holy Ghost filled and Bible believing and preaching church.

And that is the reason why we need support from outside, until the church will be able to sustain itself. Still we are so

thankful for the faithfulness of our dear Covenant Partners, that still cling to MFJI spiritually, without great financial support. That is real brotherhood and fellowship. Most Mission organisations fully keep their fellowship alive through the amount of financial support.

Please pray for our Covenant Partners in Africa, Asia, Europe, N. & S. America, as well of the pacific areas around the globe. Next year will be a great breakthrough for all of us.

We are very excited about the upcoming year 2012. God is faithful and still on the throne! We all of MFJI pray and believe for: **Immanuel**

In Christ,
